Comments from All Reviewers

Please provide ratings and comments on the following project criteria (1 = low and 5 = high):

1 2 3 4 5   **Overall project quality**

Comments: the website was easy to use and see all the information

1 2 3 4 5   **Level of creativity and originality demonstrated in the project**

Comments: it was made and presented in a way that was interesting to look at while still being simple enough to use

1 2 3 4 5   **Project contains an appropriate amount of information to meet its objectives.**

Comments: I didn't feel overwhelmed with information but there was enough that I didn't feel underwhelmed

1 2 3 4 5   **Quality of elements making up project (HTML/CSS, photos, vector graphics, video, audio, animation, web objects/elements)**

Comments: photos weren't fuzzy or blurry. Everything was easy to read and look at.

1 2 3 4 5   **Project design (color, fonts, typography, layout/composition). The overall concept/theme/unified look of the website is effective.**

Comments: the theme was simple and the writing and pictures were equal to each other. The fonts and sizing matched.

Do you feel this project is appropriate to include in the student's portfolio considering skill-level demonstrated?

Comments: yes, I think this project shows off lots of different skills and is very well made

Did you experience any technical difficulties as you navigated through the website or displayed the project?

Comments: no technical difficulties experienced

What are the main strengths of the project?

Comments: I think the main strengths are unison of the content of the project, user friendly access, and no technical difficulties.

What are the main things that could be improved with the project?

Comments: nothing to be improved
